

The right light

8327-8328

KFM-T5 HO

DESIGN: 360 GRADER PRODUKTDESIGN

KFM T-5 combines high light-output with a rugged, high impact aluminium body. A high-output circular T-5 tube and carefully calculated optics focus the light on the work-field. An optical grade lens offers the best possible viewing experience. High frequency electronics eliminates flicker and ensures optimum lamp-life.

TECHNICAL INFORMATION 8327-8328 KFM-T5 HO

A circular lamp is the ideal way of illuminating an object. It eliminates shadows and offers the best light for the task. A metal shade offers best possible protection against hot soldering irons, is impact resistant and permits cleaning with strong detergents.
